Editor
Engineering Fracture Mechanics

Dear Sir:

Please find enclosed the electronic submission of the **research article** entitled “*LME-MPM applied to quasi-brittle fracture*” by Miguel Molinos, Pedro Navas, Diego Manzanal and Manuel Pastor. We would like to have this manuscript reviewed by **Engineering Fracture Mechanics**.

The authors of this paper warrant that this manuscript represents original work that is not being considered for publication, in whole or in part, in another journal, book, conference proceedings or other publications. No already published work can be found in this document, and all used sources have been cited in the *References* section. In addition, this manuscript is one of a kind. All the authors have contributed substantially to the manuscript and approved the final submission.

Should you need to contact us, please, use the details given above.

Sincerely,

Miguel Molinos
